### General Background

The Salzburg University of Applied Sciences with its 2700 well selected students is a centre of innovation and expertise in the knowledge domains of its degree programmes. Since its foundation in 1995, it acts as a hub for the know-how transfer between research and the industry. Its degree programmes offer university level education tailored to the needs of current and future demands of the labour market combined with a sound theoretical underpinning. This is guaranteed by its qualified and highly committed staff from higher educational institutions as well as the industry. We collaborate with partner institutions in Europe, the Americas, Asia and Australia in international projects as well as faculty and student exchange.

Language requirements & Language Proficiency

Students wishing to study at FH Salzburg must either have a very good command of English or German and have to provide certification or a letter of recommendation for having at least a B2 level in English and/or German in case it’s not their mother tongue. A valid and internationally recognized English proficiency test such as TOEFL, IELTS or Cambridge at level B2 is recommended (B2 level in English equals a minimum of 87 points regarding TOEFL iBT and a result of at least 6.0. as to IELTS). In absence of a test, a letter of recommendation from an English instructor proving student’s written and oral proficiency in English will be accepted.

German Courses

German language courses are offered for free. Prior to the start of the courses, all non-German speaking incoming exchange students who want to attend a German language course will have to take part in a German placement test, which will be conducted in the course of the Welcome Days. The test result will not affect their admission to FH Salzburg as an exchange student.

English Course Offer

Overview of all classes offered in English: http://www.fh-salzburg.ac.at/en/international/incoming-students/lectures-and-courses/

Learning Agreement

Students can combine courses offered in various degree programmes, however, this must be planned in advance and must be specified in the provisional learning agreement prior to the students’ arrival. Please contact the respective International Departmental Coordinator responsible for the degree programme.

BUDDY STUDENT NETWORK AND CONTACT PERSONS

Buddy Student Network & Facebook Group

The Buddy Student Programme aims to support the cultural exchange between incomings and regular students at FH Salzburg. The Buddy coordinator will send out the list of assigned buddies to all incomings prior to their arrival to Salzburg. Both incoming and buddy students are also welcome to make use of our Facebook Group, the link to which will be sent out each semester in due time before the semester starts.

Contact on arrival

The team of the International Office will assist in all administrative aspects of student exchange. The International Departmental Coordinator of each degree programme is responsible for all academic issues.
