# Welcome to Fachhochschule Salzburg!

You made it to Salzburg! That's the first step in getting started. If you decided to rent a room via OeAD Housing, pick up your keys at their main office. In case you arrive outside their opening hours, contact your buddy student and ask him/her if he/she can get it for you.

Please contact the OeAD Housing office in case of any open questions concerning your accommodation. On Monday from 10:30 -11:30 you will have the possibility to get to know the OeAD team and ask questions.

Use the time on Thursday before classes to purchase kitchenware, blankets, pillows and other living facilities at a furniture store, such as IKEA or buy second-hand online from Willhaben.

During your exchange semester you will come to realize that your own assumptions and values are often not the same as in other cultures. At the same time you may have very similar expectations for your time in Austria.

#### 12:00- 16:00 Chasing Waterfalls

#### 09:00-10:00, ONLINE MS Teams

#### 10:00-17:30 Settle in

Use the day to get settled into your room and pick up anything you need for the semester. The shopping center Europark, IKEA, as well as Willhaben (Austria's largest online second hand marketplace).

All are good places to find items you might need.

#### 18:00 Group Dinner at the Kirchenwirt

Enjoy a traditional Salzburger meal, music, and dance, hosted by FH Salzburg and the Trachtenverein Puch.

### Friday, September 23th (optional)

#### Storm the Castle!

Join the ÖH Student Organization for a venture into Salzburg's most prominent landmark: the castle! Details will be announced during week.

We are here for any questions you may have and we are also here for you if you just want to chat! Don't forget that your buddies or the gender and diversity center are also happy to help you out, so don't be shy!

Of course we will do our best to keep you informed about current developments and safety measures. At the same time, we will do our best to help you create a memorable international experience nonetheless.

## A quick note for the upcoming semester:

A semester abroad is always exciting but also a challenge, especially under the circumstances of COVID-19. We ask you to follow safety measures on campus as well as in your free time. Be considerate of others, especially as they may be more at risk. Wear masks when required or necessary, wash and disinfect your hands frequently, make sure to get enough fresh air. Salzburg has many outdoor activities that are available. So be sure to look into (level-appropriate) skiing, hikes, visit our lakes and take advantage of our many walk and bike paths!
